STATE PLAN UNDER TITLE XIX OF THE SOCIAL SECURITY ACT

State: Missouri

 The agency applies higher resource standards than those in effect as of July 16, 1996, increased by no more than the percentage increases in the CPI-U since July 16, 1996, as follows:

 X The agency uses less restrictive income and/or resource methodologies than those in effect as of July 16, 1996, as follows:

Resources above the July 16, 1996 resource maximum are disregarded.

Disregard, up to 100% of the Federal Poverty Guidelines, the gross earned income of the adult parent(s) with whom a minor parent is residing for the purpose of determining eligibility of the minor parent.

Disregard earned income of parent caretakers under age 19 who are full-time students for purposes of eligibility and benefit determination.

Disregard all income of the family participating in a wage supplementation program.

Income above the state's July 16, 1996 AFDC standard that does not exceed 100% of the federal poverty level (as revised annually in the federal register effective April 1 of each year) is disregarded.

Disregard the first \$174 of earned income of the family member with the highest earnings. Disregard the first \$90 of earned income of all other family members.

The needs and income of a step-parent are included in determining eligibility, if deemed step-parent income causes ineligibility. A step-parent's needs and income are excluded when determining a child's eligibility, if the step-parent income would cause a child to be ineligible.
